The Kannada Language Learning Act, 2015, made it compulsory for schools in the state, irrespective of the board they are affiliated to, to teach Kannada in CBSE and ICSE schools as a second language. The law made it mandatory for schools in Karnataka to teach Kannada as a compulsory language from the academic session of 2017-18 from Class I. As per this order, children until Class V of this academic session (2021-22) learn Kannada as a compulsory language.

We teach Hindi and Kannada for children in Classes I to III, and the level of difficulty is the same for both languages. At Class IV, children need to choose another language, and we provide options for children to choose any one of the languages.
